7 CEU CREDIT EVENT

Certified Dementia Care Training

Join **Carrie Chiusano**, nationally known speaker and Executive Director of the Dementia Center of Excellence for Presbyterian SeniorCare Network, for an intensive and informative full-day seminar. Learn about how to successfully care for someone living with dementia, the disease process and the significance behind dementia-related behaviors.

This training is required for those pursuing the Certified Dementia Practitioner (CDP) designation with National Council of Certified Dementia Practitioners (NCCDP). Attendees will earn 7 CEU credits for attending and receive a binder with all materials.

To become a CDP, send a certificate of attendance along with your completed application and fee to NCCDP. Attendees of this seminar qualify for a discounted application fee (\$35 vs. \$145) when they apply for their CDP.
