

# Help for Families Living with Dementia

## BECAUSE LIFE DOESN'T PREPARE ANYONE TO BE A DEMENTIA CAREGIVER

### Do you feel:

- **unprepared** to support a loved one living with dementia,
- **isolated and alone**, not sure you can face the challenges of being a caregiver,
- **stressed** about the increasing responsibilities of providing care and getting through each day
- **scared**, because your family is facing a new diagnosis and you want to be prepared as possible.

## Dementia360 Can Help

### Support, Resources and Connections

By giving you the support, resources and connections you need to be an effective caregiver, **you will be able to keep your loved one at home, living comfortably and safely, for as long as possible.**

Many programs focus on providing care for your loved one. **We focus on helping you, the caregiver.**

*"With Dementia360's help, I feel I can better handle what is to come."  
Maura, Dementia360 Client*

We understand that no two situations are the same. **Dementia360** matches you with a Certified Dementia Care Coordinator who will create a personalized, tailored plan to help you, and your loved one, live better, together.

You don't have to face this alone- it's never too early or too late to ask for help.
